JULY 2025

DOCTOR'S DAY

July 1st, on the occasion of Doctor's Day, our school hosted a fun and educational celebration to honor the everyday heroes in white coats. We were delighted to welcome a general physician and a dentist to our school. They interacted warmly with the children, offering simple and valuable health tips, including the importance of handwashing, eating healthy, and taking care of their teeth. Adding to the excitement, our little learners came dressed as doctors and nurses, proudly wearing stethoscopes, lab coats, and cheerful smiles. The role-play activity helped the children understand the vital role of medical professionals in our lives and sparked a spirit of empathy and care. It was a delightful day filled with learning, laughter, and admiration for our healthcare heroes!

HAPPY
DOCTOR'S DAY

To promote health and well-being, a guest doctor was invited to speak about the importance of cultivating healthy habits in young children. The session emphasized nutritional practices, physical activity, and establishing routines to support a healthy start to life.

In a special segment focused on child safety, police officials addressed the gathering and delivered informative talks on the POCSO (Protection of Children from Sexual Offences) Act and Cyber Safety. Their session was both eye-opening and educational, equipping parents with the necessary knowledge to safeguard their children in both physical and digital environments. Overall, the programme was well-received and set a positive tone for the academic year ahead.

JUNE 2025

A JOYFUL START TO THE NEW SCHOOL YEAR!

The first day of school was filled with excitement and energy as children arrived with bright smiles and eager hearts. While many little ones stepped into the classroom with confidence, a few experienced the familiar tug of separation anxiety. With gentle reassurance and warm welcomes, they soon settled in and joined the fun. To make the day extra special, children participated in creative first-day crafts, which they proudly took home as a keepsake. The classrooms buzzed with joyful activities—singing songs, dancing, and engaging in hands-on play with their friends. Laughter echoed in the air as the children shared their favorite snacks and created happy memories together. It was a wonderful beginning to a year full of learning, friendship, and growth!

RED DAY AND FATHER'S DAY CELEBRATIONS

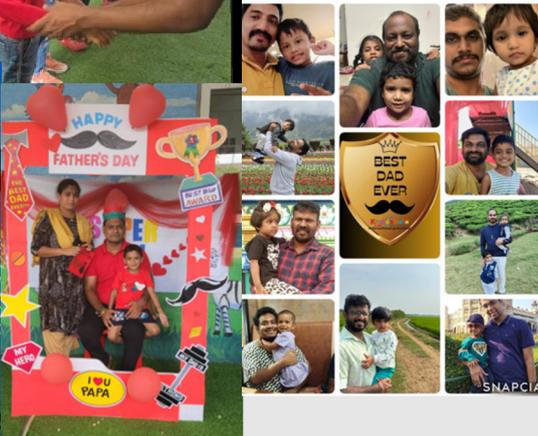

On 13th June, our school joyfully celebrated Red Day, World Blood Donor Day, and Father's Day through a vibrant and meaningful event that blended education, creativity, and appreciation. The day began with a lively atmosphere as children arrived dressed in bright red attire, symbolizing energy, love, and vitality. The importance of the colour red was highlighted through engaging discussions, helping the students identify various red-coloured objects and understand the significance of this vibrant colour in our daily life.

DAD

Father's Day was also celebrated with great enthusiasm. As a token of love and appreciation, each child gifted their father a unique handmade present, crafted with creativity and care. To make the occasion even more memorable, special games and fun activities were organized for the fathers who came to pick up their children. The joy and laughter shared during these moments created lasting memories for both the students and their fathers.

YOGA DAY AND MUSIC DAY CELEBRATIONS

On June 20th, Yoga Day and Music Day were celebrated with great enthusiasm. The children arrived dressed in comfortable white outfits, ready to participate in yoga activities. The significance of yoga in maintaining physical and mental well-being was explained to the students, emphasizing its importance in daily life. The children actively took part in practicing various yoga poses, learning how each one helps in improving strength, flexibility, and focus. The atmosphere was calm and peaceful, filled with positive energy.

The children actively took part in practicing various yoga poses, learning how each one helps in improving strength, flexibility, and focus. The atmosphere was calm and peaceful, filled with positive energy.

Following the yoga session, Music Day celebrations brought a joyful change in rhythm. The importance of music in expressing emotions and bringing people together was shared with the children. They enjoyed singing songs and dancing to lively tunes, making the day fun and memorable.

The combined celebration of Yoga Day and Music Day highlighted the value of a balanced life — one that nurtures both body and soul.
